

WORKING ON SERVICE PROJECTS

When you attend a chapter meeting you will find out that they have a number of activities such as service projects coming up. As a candidate, you can attend and be with them. If you are not sure about attending, just ask the Adviser or the Chief and they can answer your questions.

Service is a great part of the OA. We do service to Scouting to Food Banks, summer camps, civic organizations, etc. We want you to be a part of all of that. Make sure you check out the calendar from time to time.

Remember, you are only a candidate for a year, so make sure that the 1st thing you schedule is your Ordeal.
