

LODGE BANQUET

The Lodge Banquet is held each year in January. It is a time for the lodge to get together and honor those who have achieved noteworthy accomplishments during the year. Various awards are presented, among them:

Chapter of the Year: To the outstanding chapter during the year based on their membership, activities, services, and the impact that they have made in the lodge and in the Council.

Service Chapter of the Year: Based on the number of service hours given by the chapter.

Adult Arrowman of the Year: Youth presented to an adult who has made a significant impact on the lodge and its programs during the year.

Youth Arrowman of the Year: Adult voted and presented to a youth who has made significant impact on the lodge and its programs during the year.

Vigil Call Out: Often the call out for the Vigil Nominations for the coming year.

In addition there is often a speaker or presenter during the dinner. We have had civic leaders, Madrigal groups, an Olympic Gold Medalist, the Sherpas who had the most ascents and the fastest time up Everest, a Beatles type musical group and others. It is a great evening with tremendous food.

All Arrowmen and their guests are welcome to attend.

You can register from the Lodge Calendar or Registration Central.
