

CUB SCOUT LEADERS

There are many ways that the OA can assist Cub Scout Leaders. Some of our chapters are really into Ceremonies such as Arrow of Light Ceremonies. If you check with the Chapter Directory, it will put you in touch with your District OA Chapter. If they don't do it, they can refer you to someone who does.

Many of our youth also service as Den Chiefs and mentors to Cubs. you will see them at Council events and Day Camp.

If you are unfamiliar with the Order of the Arrow, we have a [fact sheet](#) that you can download and it will give you some information that might be helpful. You might also check out our Resources section for some help. In the meantime check out one of our [Arrow of Light](#) ceremonies or a great [songbook](#) that will help your program.

If you are a former member of the OA you can renew your membership. Dues are \$10.00 per year and you can register [here](#) .
