

USING THE PHOTO GALLERY

To use the photo gallery follow these steps.

1. Pick the category that you are interested in viewing.
2. When you see the list of events, pick the one that you want.
3. The thumbs will come up and you can look at them or scroll through them.
4. If you want to see the Slide Show, double click on one of the thumbs, a large version will appear and under the photo will be the play button, click it. It may take a few seconds for the file to load, especially if there are a lot of photos in it.
5. Enjoy

PS: You can right click on of the photos and download it if you want -makes a nice souvenir.
