

## LODGE CHIEFS

Over the history of the Lodge A number of outstanding youth men have served as the Lodge Chief. The number in () indicates the number in line from the beginning.

In the early days of the lodge the chief and his officers were elected at the Fall Conclave held in November of each year. They took office at the Lodge Banquet in January. In 1982 the Lodge Executive Committee changed the election of the Chief to the Summer Fellowship in June so that the Lodge year would be closely mirror the council year. The Chief takes office upon his election.
